

Old World Italian

*Let's make masks for*  
**Carnevale**

• Festeggiate with this DIY Carnevale Mask •

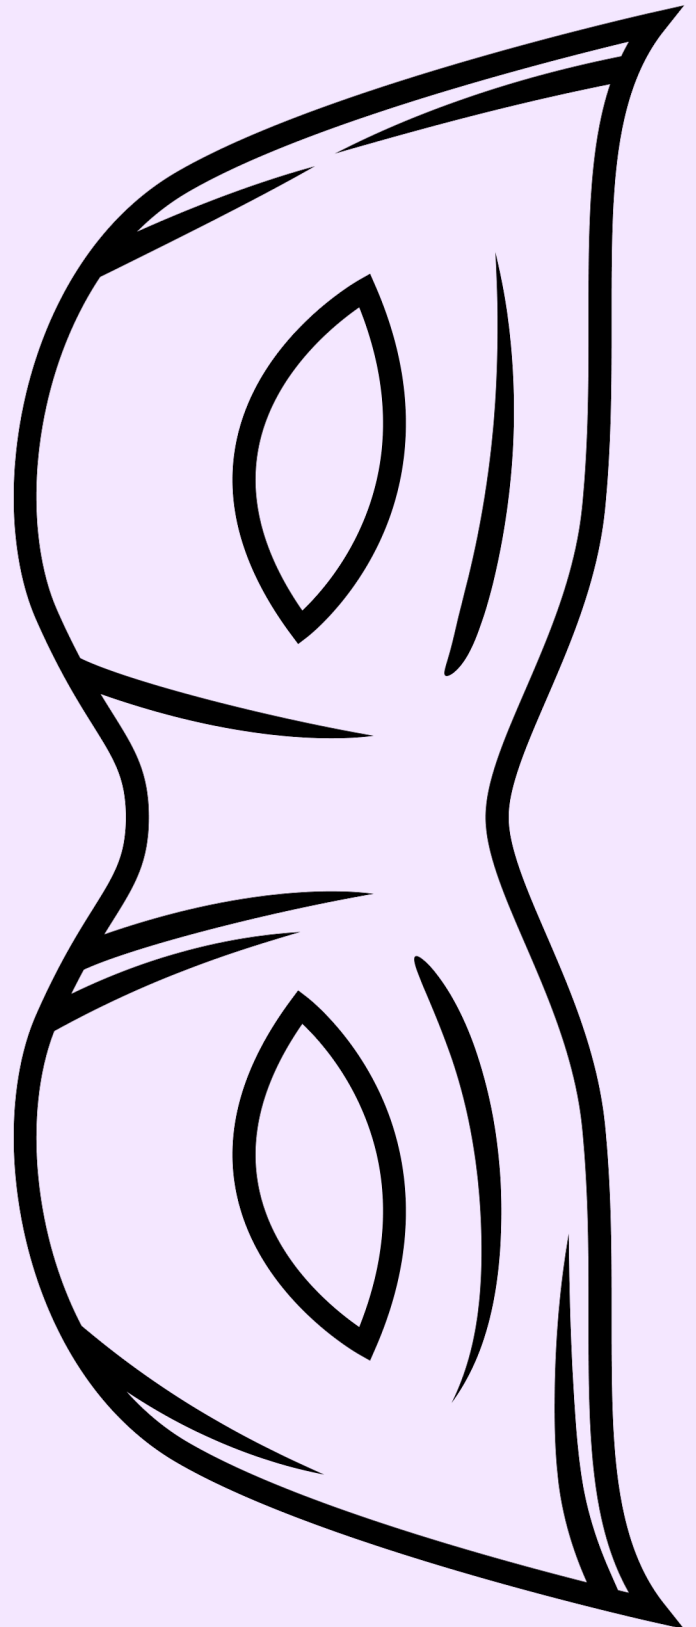

# Make it Yours

*Get creative!*

Craft something truly original using the pattern below.  
You can also print the pattern on craft paper you already have.

- 1 Print the next page and resize the printing scale if you need it larger or smaller.
- 2 Print out the following page of added on options to cut and paste on the mask.
- 3 Cut around the mask leaving the border edge of the mask.
- 4 Color the mask as you like and glue on any details. You can also add glitter paint to your design.
- 5 Festeggiate!

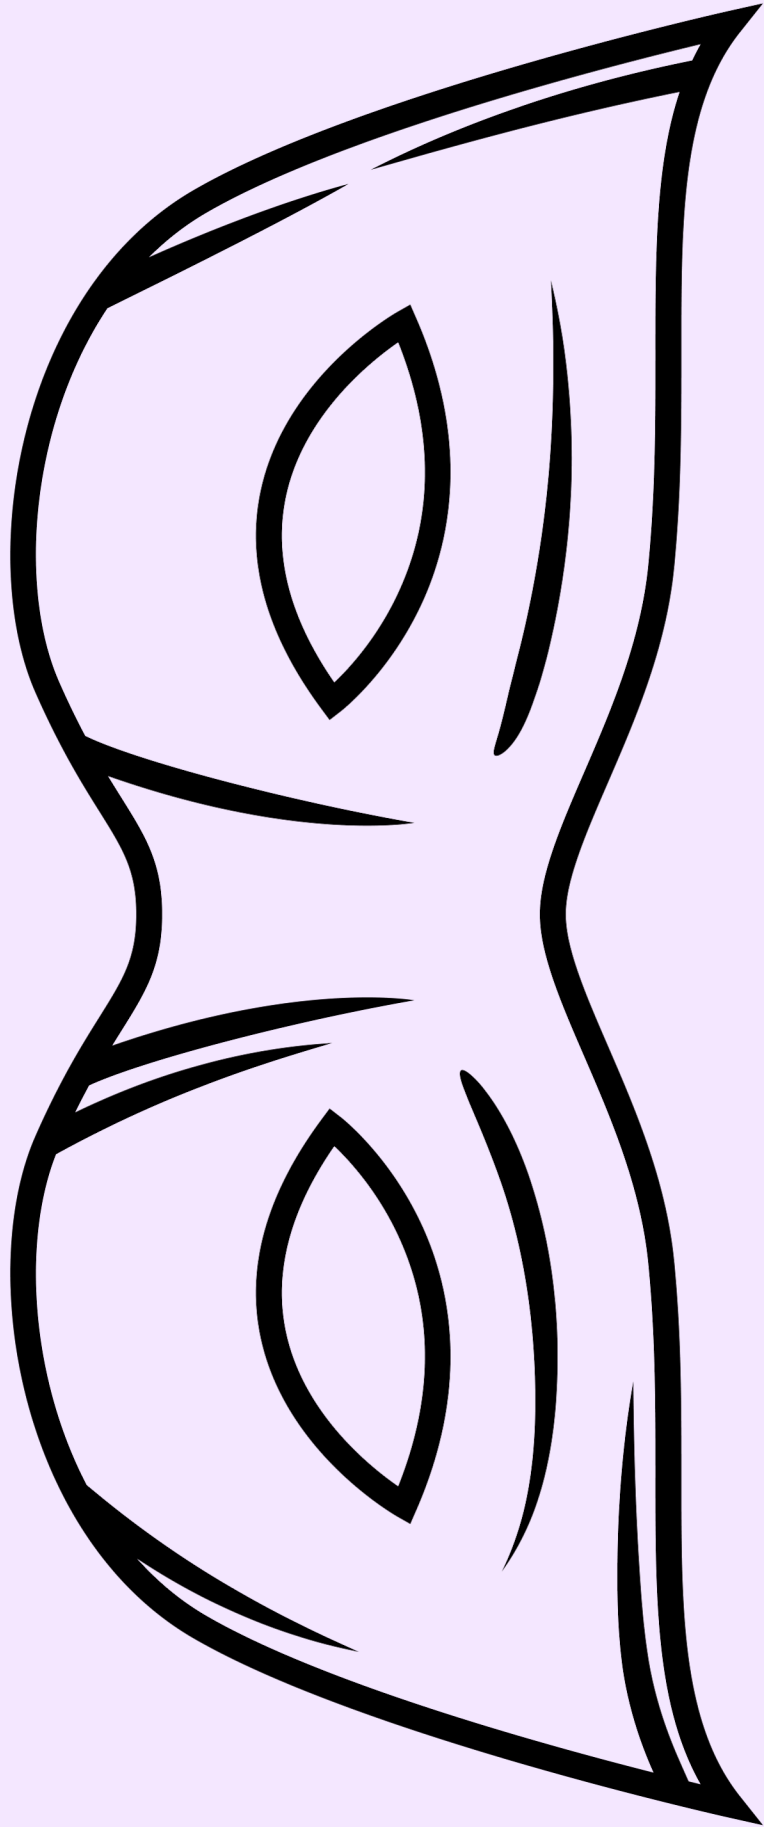

## HOW TO CUT:

Be sure to leave the border edge cutting just outside the outer line of the mask.

## HOW TO WEAR:

Use a punch hole and tie string for the mask to attach around the head. Or, you can attach a straw or small rod to the back of the mask on one side to hold the mask.

# Inspiration

Here are some elements to play with. Just print and paste onto the printed pattern to make your mask truly unique!
